- **Students 5 & under:** A light application of blush, eyeshadow, lipstick and mascara.

HAIR

Baby and Tiny class dancers will wear a high bun as shown below.

All other classes will have hair worn in low bun with a middle part.

**Hair must be pulled securely back with gel or hairspray and free of fly aways.
Pro tip: hairpins work better to secure bun than bobby pins.**

COSTUMING

- Costumes will be sent home as they arrive. For our baby and tiny dancers, parents will be invited in for a short demonstration on costuming. We will send an email with details before costumes are sent home.
- Costumes should fit tight to the body like a leotard.
- All costumes will be sent home in a garment bag with tights and accessories.
- Costumes and tights are only for dress rehearsal and recital and should not be worn to class.
- Make sure costume is wrinkle free before recital by steaming or hanging during a hot shower.
- Hair piece/accessory instructions are included with costume bag.
- While dancers are measured for costumes, alterations may be required to ensure a perfect fit.

POLICIES

PHOTO & VIDEO

- Video and photography is not allowed at the recital. This is extremely distracting to the dancers and people sitting behind you. All dancers will be receiving a professionally recorded recital video!

THEATER ETIQUETTE

- This is a family show, however please be courteous of others who have also come to see their dancers. If younger siblings would be uncomfortable remaining seated for the show, please don't bring them to the recital. Children who are running around the auditorium are distracting to audience members.

- We also ask that you do not enter or exit the theater during a dance. This is discourteous and distracting to the dancers and audience members.

YOUTUBE CHANNEL

- We have created a YouTube channel playlist with videos from class so that dancers can practice at home!
- Dances will be added to the channel once they are finished.
- Additionally, recital dance music will be added to class files in your parent portal!
